Sir,

DEFENCE OF INDIA RULES - South Kanara District - De-requisitioning of lands - Kumbla area - entertainment of special staff - proposals submitted.

Ref: Government Memorandum No.2790-5-45 (Public) dated 18-2-1946.
2. This office Ref.C.No.1906-46(Spl.) dated 22-2-1946.

In the Government Memorandum cited above, the decision of the General Head Quarters to relinquish the requisitioned area at Kumbla by 28-2-1946 was communicated to this office .

2. According to the instructions regarding the de-requisitioning of immoveable property communicated in Government Memo. No.5315-G-45-6 (Revenue) dated 16-2-1946, every item of property has to be inspected and its conditions recorded in sufficient detail and compensation for damages or for deterioration fixed, before possession is restored to the owners. Similarly, the particulars of the improvements effected by the Defence department have also to be recorded. The amount of compensation payable to the owners and the cost of improvements due to the Government have to be determined by careful inspection, enquiry and by consultation with the owners. Many of the owners or interested persons are living away from the requisitioned area and some of them have even left the District. The whereabouts of some are yet to be known. Notices will have to be served on all such persons and their presence secured before possession is handed over to them. It is expected that there will be several claims for damages to buildings trees etc. and these claims will have to be carefully investigated and settled in order to avoid unnecessary litigation in future. It is also learnt that several areca trees in almost every garden have either withered away or died and a very detailed inspection will be necessary to assess the exact damage or loss in each case. The area to be inspected covers about 14 Square miles at Kumbla and a more or less similar area in Uppinangady.

3. The compensation for the occupation of the lands by the Military beyond the first lease year will also have to be worked out and paid.

4. It appears to me that the work involved in the matter of de-requisitioning is almost as considerable as it was at the original requisitioning work and that the following additional staff will be necessary for a period of four months to cope with it.

For Kumbla Area.

(1) One Special Dy. Collector.
(2) Three Special Dy. Tahsildars including the special Dy. Tahsildar now working at Kumbla.
(3) Six Special Rev. Inspectors at the rate of two to work under each Dy. Tahsildar.
(4) One Lower Division Clerk to work under each Dy. Tahsildar.
(5) One Upper Division Accountant to work under the Special Dy. Collector.

(6) One Upper Division Clerk to work under the Special Dy. Collector.

(7) One Lower Division Clerk to work under the Special Dy. Collector.

(8) One peon to work under each Rev. Inspector, two peons under each Dy. Tahsildar and three peons under the Dy. Collector.

5. The Special Dy. Tahsildars, Special Rev. Inspectors and the peons under the Special Rev. Inspectors may be allowed Fixed Travelling Allowance at the rates permisible in this district.

6. In view of the urgent and arduous nature of the work, I recommend that the Special Dy. Collector may be allowed an additional pay of Rs.100/- p.m. and all the other officials and menials employed for the Special work an additional pay of 25% of their pay, as was done at the time of requisitioning.

7. It is expected that the de-requisitioning work will have to be taken up at Uppinangady also within a short time. In addition to the staff proposed for Kumbla area, sanction may kindly be accorded for the employment of two Special Dy. Tahsildars, including the one working in that area at present, with one Lower Division Clerk and two peons to work under each of them for a period of four months. One Upper Division Clerk may also be sanctioned in addition for the special Dy. Collector for work related to this area. The additional pay and allowance proposed for the other staff may be sanctioned for the staff at Uppinangady also.

8; Attention is invited in this connection to my letter Ref.268-46 dated 23-2-1946. I consider that one special Dy. Collector will be able for the time being to manage the enti work relating to de-requisitioning. If after the preliminar work is over, the work is found to be too heavy for one Dy. Collector to manage, I shall apply for the appointment of an additional Dy. Collector, in due course.

We have received intimation about the release of Kumbla and therefore the process of derequisitioning of this area can now be understaken. As regards Mosquito campaign, the Health authorities have been asked to inform when this area could be released and their reply is awaited. The staff which is being sanctioned for this area should therefore be used from the date the military authorities relinquish the area for dereguisitioning and not before. Rev. may amend the draft accordingly.

With the above remarks the file may be returned to Rev. through Fin.
